Dear Customer:

The advance rates in Parcel Post and supplies make it necessary for me to discontinue shipping ROOTED CUTTINGS. If there is a substitution I will appreciate it if you take that into consideration.

I thank you for your order and past orders, hoping it will be my pleasure to continue to serve you.

It is always my wishes to grow the new varieties in demand, but many times varieties are advertised before stock is available to a grower or the public. Mr. Baxter has a number of varieties which I am going to exhibit at the National A.V. Show in Chicago April 24th, 25th and 26th at the Sherman Hotel.

Please don't write for information now for prices on these until after that date.

We have been notified by the Ulrey's that PINK WONDER will not be released until Fall of 1952 or spring of 1953
